

## FORM AID 451-1 Employee Exit Clearance: Departure from Washington

The Agency's policies and essential procedures on separations and exit clearance are found in ADS 451, "Separations and Exit Clearance." All USAID employees separating from the Agency from Washington, including employees who are posted overseas but returning to Washington before leaving USAID, must complete applicable sections of Form AID 451-1, "Employee Exit Clearance: Departure from Washington," and obtain the required clearances. For the purposes of this requirement, the term "employee" includes Foreign Service (FS), Foreign Service Limited (FSL), Senior Foreign Service (SFS), Senior Executive Service (SES), Senior Level (SL), Scientific or Professional (ST), Administratively Determined (AD), Civil Service (CS) Pathways Program participants, Fellows, Foreign Service National Direct-Hire (FSNDH), and individuals detailed from another Federal Agency. USAID institutional contractors and Federal Employees under Interagency Agreements should not complete Form AID 451-1, but must inform their Contracting Officer Representative (COR) of their upcoming departure from USAID. The COR will ensure completion of actions. Please refer to ADS 306 mah, Contracting Officer Representative (COR) Checklist: Exit Procedures for Institutional Support Contractors and Federal Employees Under Interagency Agreements. Employees departing from the Mission must complete form AID 451-2. You are required to complete sections 1 and 4 yourself in the days leading up to your departure and obtain all required clearances in Sections 2 and 3. On your last day in the office, bring the form with Sections 1-6 completed, to the Office of Security (SEC) in order to be cleared on section 7. Once cleared from SEC, turn this form in to the Office of Human Capital and Talent Management (HCTM) who will complete Section 8 and ensure the completion of Section 9.
